Dear Mr. Anderson:

This is to inform you that we have received a copy of a letter to you from Marc Shivers, representative of Whittle Communications, dated July 11, 1994 pertaining to our file ID# 25814. Mr. Shivers states that Whittle waives its trade secret interests in the information requested by Ms. Karen Miller pursuant to the Texas Open Records Act, chapter 552 of the Government Code.

Because the third party interests have been waived and you have not raised any other exceptions, we have no basis for applying any exceptions to required public disclosure to this information. *See* Open Records Decision No. 552 (1990). Because neither you nor Whittle Communications have contended to this office that the requested information should be withheld, you should release the information at this time. If you have any questions regarding this letter, please contact our office.

Yours very truly,

A handwritten signature in cursive script, reading "Rebecca L. Payne", is written over the typed name.
